

RALTRON

Special Announcement

RALTRON ELECTRONICS APPOINTS ROSS WEISS AS VICE PRESIDENT of SALES

Raltron's emergence as a global leader in frequency control will count on Weiss as he brings more than 30 years of Industry experience as Mfg. Rep owner of the WEISS Co in Canada and Vice President of Fox Electronics.

His previous relationship with Raltron's OEM customers, Manufacturers Representatives and its Distribution channel bring additional emphasis to Raltron's eminent position in the frequency management market place.

Sasha Wolloch, President of Raltron quotes, "We expect Ross' relationship with our Rep network and distributors along with Strategic OEM and CEM accounts to be a game changer for our continued growth, which is forecasted at 20 % in 2015"

Founded in 1983, Raltron offers a broad range of crystal units and crystal based oscillators, including VCXO, TCXO and OCXO and other frequency control products produced in state of the art manufacturing facilities in Miami, FL and China. Raltron products are sold globally via a network of company sales offices, independent sales representatives and distributors.
